

# Grade 1 News

## March

### Reading

This month we will continue looking at non-fiction books. We will learn about the differences between fiction and non-fiction. We will learn that non-fiction books have captions, indexes, glossaries, table of contents and so much more.

### Social Studies

Grade 1 is will complete their unit on maps. We will conclude this unit with a map project. Information for the map project will go home on March 29<sup>th</sup> and it will be due on April 5<sup>th</sup>. .

## Writing

We are going back to nonfiction writing this month. This time around, we will be writing nonfiction chapter books. Your child's book will have a table of contents and other nonfiction text features. This goes along well with our nonfiction unit in reading.

## Math

We will learn to make tens to add. Some strategies that we are working on for addition and subtraction include using manipulatives and drawing pictures.
