

Grade 1 December News

Reading

This month we will begin our author study on Jan Brett. While reading Brett's stories, we will learn about comparing and contrasting different texts.

Writing

This month in writing, Grade 1 will continue to learn how to write an opinion piece. Students will begin to review different topics such as their favorite stores, movies, and toys.

Math

Grade 1 will continue working in Module 1. We are finding different ways to add and subtract numbers. It would be great to practice your math facts at home with your child. Each week we will have a math fluency practice.

Science and Social Studies

Grade 1 will begin our unit on hibernation! Students will be learning the meaning of hibernation, different animals that hibernate, and why animals hibernate.
