Day

Module 2 Test: date TBD

Student Council: Meetings
1/11 and 1/25

Welcome back! We would like to wish you and your families a happy and healthy 2018! As we begin a new year, we would like to take the time to thank you for your help and support thus far this school year.

Just as a reminder, for homework each 5th grader is asked to read for 20 minutes each night and work on Khan Academy or S.T. Math for 20 minutes also. Their only written homework will be filling in the log. However, students will have several at home projects this year and are of course responsible for finishing any incomplete classwork at home as well. Please help as we encourage your child to work to their greatest potential!
