

Math

Our focus this month is numbers 6-10. It would be great if you could practice writing and counting at home with your child. We are learning about ten frames, learning to count in various ways, learning to tell greater and less than, and how to count using a counting path.

ELA

We are finishing up our first unit community and starting our next unit on animals.

Writing

Super writers are learning to write a personal narrative by drawing a picture and labeling them with the letter sounds we hear when we s-t-r-e-t-c-h out our words.

Handwriting without tears- we are continuing to strengthen our hand muscles, working on pencil grip, and learning to write letters and numbers from top to bottom.

Lively Letters focus- p b t d f v k g th a o

Sight Words- a I my see at me

Word families- an at op ot

Social Studies- Fire safety

Science- Seasonal changes of Autumn using our 5 senses
