3rd Grade News

Silver Hill Horace Mann Charter School

What We're Learning!

Writing – Your students will be working together to Craft True Stories about Small Moments in their lives. Writers in 3rd grade will learn goal-setting strategies, how to zoom in and stretch small moments.

Reading – During September we will be Building Our Reading Lives. Your students will learn what makes them feel successful during reading, choosing just right books and setting goals and keeping track of their progress by using self-monitoring strategies.

Math – We are learning about using arrays, equal groups, repeated addition to show Multiplication and Division.

Social Studies – Your students are learning about Map Skills and their place in our world.

Second Step – We are using Second Step in the classroom as our anti-bullying curriculum.

Welcome Parents!

The 3rd grade team would like to extend a warm welcome back to our students as the new school year begins. We look forward to sharing learning experiences and watching your students grow here at Silver Hill.

A few notes from the Grade 3 team:

Homework will be completed each night that we have school Monday-Thursday. We ask the students to complete 15 minutes of reading and 15 minutes of Khan Academy or other related math activities. These 30 minutes ensure that your child will hopefully have enough time to enjoy the changing seasons OUTDOORS!!

Thank you again for those that came to Open House and to those that have donated supplies!
