

WHAT IS GOING ON THIS

Important dates:

F&P Testing

Module 3 Test: date TBD

Star Testing:

February Vacation 2/19-2/23

Student Council: Meetings
2/8 and 2/15

Happy Winter!

This month students will be taking the winter Fountas & Pinnell benchmark test. Research shows that students who read more perform better in standardized tests.

For homework each night 5th graders are asked to read for 20 minutes each night and work on Khan Academy for 20 minutes also. Their only written homework will be filling in the log. However, students will have several at home projects this year and are responsible for finishing any incomplete classwork at home as well. Please help as we encourage your child to work to their greatest potential!

HOT TOPICS:

Math: 5.NF.5 1 , 2, & 3 Adding and subtracting fractions

Science: Nonfiction Writing ~ Rocks and Minerals

Social Studies: The Settlement of America

Reading: Reader's Workshop & Guided Reading Groups

Writing: Writer's Workshop ~ Argument Essay

Positive Behavior Intervention Supports-(PBIS)- Continue with ROARS expectations. Our next assembly will focus on maintaining a positive school attitude.

Second Step- We completed our Second Step lessons but will continue implementing learned strategies.
