## What's Happening in Grade 4...

If you can dream it, you can achieve it!

## What are we learning?

**Math: Common Core Standards:**

### Module 3: Multi-Digit Multiplication and Division

4.NBT.5 Multiply a whole number of up to four digits by a one-digit whole number, and multiply two two-digit numbers, using strategies based on place value and the properties of operations

4.NBT.6 Find whole-number quotients and remainders with up to four-digit dividends and one-digit divisors, using strategies based on place value, the properties of operations, and/or the relationship between multiplication and division.

4.MD.A.3: Apply the area and perimeter formulas for rectangles in real world and mathematical problems.

**Reading:** Reader's Workshop & Guided Reading Groups - Non-Fiction Text Structures and Features

**Science:** Physical Science - Using Energy Transformation  
**Writing:**

**Writer's Workshop ~**  
Opinion Writing

### Important Dates

2/14: Valentine's Day

2/15: ROARS Assembly

### Supplies Needed

Copy Paper, Clorox Wipes, paper towels, prizes for the Roars Prize Box, and tissues

PBIS - Positive Behavior Intervention System. February's Assembly will be on ATTITUDE!

1

### WRITING

This month students will learn how to write personal and persuasive opinion essays.

2

### READING

Every night your child should be reading for 20 minutes on RAZ kids or their independent books.

3

### MATH

Encourage your child to study his/her multiplication facts every night!
