

April 9, 2017

Dear Silver Hill Families,

I've been asked if students can wear shorts this week. Yes! We've gone from winter to summer, and close to 80 degrees by Tuesday. Get those summer clothes out!

Silver Hill Horace Mann Charter School is up for our charter renewal in 2018. This is not an automatic renewal, and there are several steps in the process, including signatures from the Haverhill Educators Association and the School Committee. Attached is a letter from Euthemia Gilman, Founding Director of the Charter and current Chairman of the Board of Trustees. Please take a few minutes to read Mrs. Gilman's letter. There will be an informational meeting for all stakeholders at a later date. We have some challenges and I thank you in advance for your support!

Next week is spring vacation, starting with no school on April 14, Good Friday. Wishing you all a wonderful Easter weekend and a fun filled vacation!

Margaret

Planning Ahead:

April 28 – Student/Faculty Basketball Game

April 29 – Mount Washington Alliance Health Fair – Held at Silver Hill
