

December 2018

Fourth Grade

Monthly Newsletter

What's Happening in Grade 4...

Mistakes are PROOF you are TRYING!

What are we learning?

Math: Common Core Standards:

Module 3: Multi-Digit Multiplication and Division

4.NBT.5 Multiply a whole number of up to four digits by a one-digit whole number, and multiply two two-digit numbers, using strategies based on place value and the properties of operations

4.NBT.6 Find whole-number quotients and remainders with up to four-digit dividends and one-digit divisors, using strategies based on place value, the properties of operations, and/or the relationship between multiplication and division.

Social Studies: Southeast Region

Research Southeast Region and create a postcard/poster to show their understanding of that region.

Reading: Reader's Workshop & Guided Reading Groups

Writing: Writer's Workshop ~ Opinion Writing

1

WRITING

Students will finish their Realistic Fiction Stories and start writing their Opinion Pieces.

2

READING

Every night your child should be reading for 20 minutes every night.

3

MATH

Encourage your child to study his/her multiplication facts every night!
