

Late Weekend Update

May 16, 2017

Dear Silver Hill Families,

I've met with and heard from many of you over the past week, and again, **THANK YOU** for your support of the Silver Hill Horace Mann Charter School. It feels incredible to be a part of a community that has come together so strongly to show how much we value education. We have positive momentum! Tonight is the School Committee Budget Meeting, and I'm sure that this will also have a strong turn out of Haverhill residents, tax payers, and voters, who are concerned with the future education of our children.

We have so many events coming up, that I'm just going to list the Planning Ahead. This is a crazy, busy time of year!

The sun is finally coming out...no more indoor recess - yay!

Warm regards,

Margaret
