

September 10, 2017

Dear Silver Hill Families,

Don't forget that tomorrow, September 11, is Picture Day!

Find out some ways that you can get involved in your child's education by joining our PTO. There is a PTO meeting Monday night, September 11th, at 6:00 in the library. silverhillpto@gmail.com

I'm looking forward to seeing you all at Open House this Wednesday night, September 13. Grades K,1,2, will be from 5:00 - 6:00 and Grades 3,4,5 6:00 -7:00. Students and teachers have been working hard already to get their classrooms set up to give you a glimpse of what's ahead for a new year of learning.

The PTO would like to start the year with a celebration of learning for our children with an exciting assembly. Wildlife Encounters will be coming to our school for an educational and enriching assembly on Friday, September 15th. The presentation will educate the children on a wide variety of environmental and wild animal topics. The presenters will have LIVE animals for the audience and a chance to touch the animals at the end of the assembly. Thank you PTO for bringing our students fun and exciting enrichment opportunities!

Mark your calendars for the Haverhill Peace Walk, to be held Saturday, September 30, 1:00-3:30. Haverhill VIP (Violence Intervention & Prevention) Team is collaborating with the neighborhood groups, Urban Kindness and the Mt. Washington Alliance, to raise awareness and celebrate the commitment of efforts within our community that address and prevent the impact of violence. This year the walk will end at Silver Hill, with lots of fun events for the whole family!

We will be holding a Coin Drive during our lunches to help the people effected by Hurricane Harvey, and now Hurricane Irma. Our goal through community service projects is to teach our students that even a small gesture can go a long way toward helping others. Our thoughts and prayers are with those families as they recover from such devastating storms.

Warm regards,

Margaret
