

Weekend Update 1-22-17

Dear Silver Hill Families,

A few friendly reminders to help keep our children safe and healthy...

When dropping your child/children off in the morning, PLEASE wait in the line until you reach the staff out front who will wave you on and greet your child. We have had a few scary near misses in the last few weeks with parents dropping their child/children off on the sidewalk and then pulling into the drive. I ask that you be patient and wait the few extra minutes that it may take you to stay in the drop off line. Thank you!!

We are trying to get the students out for recess as often as possible. Cabin fever in an elementary school is not fun! However, we are finding more and more children coming to school without appropriate outside clothing, especially footwear. We have wonderful fields that unfortunately tilt downward, so we tend to have puddles and wet areas. But...if the children had on boots, they would be able to go outside on our nicer temperature days. If possible, please send your child with boots AND a pair of shoes or slippers with traction. This way, they can wear the boots outside to play, but not track the mud into the classrooms. The 40-50 degree days are a sure sign that Spring IS coming...mud season is already here!

Friday, January 27th is an early release day for teachers to attend professional development sessions. Early Birds will be dismissed at 11:15, the remainder of the students at approximately 11:30, depending upon bus arrival. There is no lunch served on early release days.

Announcing FUN FRIDAYS!!! A once a month school fundraiser:

What: Wear Your Favorite Sportswear

When: Friday, January 27

Cost: \$1....Teachers will collect in the classrooms. Show our spirit and raise some money for our school...YAHOO!!

GO PATS!!!

Margaret
