

September 1, 2016

Hello Silver Hill Families!

September 1st already! It's been a great first week back with lots of happy children! I bet a few of you have big smiles, too! A reminder that tomorrow is an early release day for Teacher Professional Development. Our Early Birds are dismissed at 11:15, walkers at 11:25, and busses generally start arriving around 11:30. There is no school for kindergarten, and no lunch is served on early release days.

There is no school on Monday, September 5, to celebrate Labor Day.

Just a few quick reminders to help our routines go smoothly; all numbered parking spaces are for staff. We have asked the City to please mark additional spaces for Visitors, and hopefully will have that in place soon. If you are dropping off or picking up a child, we ask that you do not linger so we can free up parking spaces and have less congestion in the parking lot. Thank you!

If you are picking up a kindergarten Early Bird, please have your flashing (hazard) lights on as you pull into the drive. This way, we know you are picking up an Early Bird, and other cars will stay behind you.

Our school day begins at 9:00 and after this time your child is considered tardy. The doors are locked at 9:00, so if for some reason you arrive late, you will need to escort your child into the building to sign him/her in. We appreciate your always making sure your child is safely in the school if they are arriving late.

Thank you for helping us keep our children safe. Have a wonderful Labor Day weekend!

Margaret
