Dear Silver Hill Families,

Snow way, another Snow Day! Hope we're back for Valentine's Day!

We have a few special events this week. Our lottery is postponed for the second time, and will be held on Wednesday, February 15, at 10:00. The STMath Coffee with the Principal will be held on Thursday night, February 16, at 6:00. And the ROARS Attitude Assembly is rescheduled for this Friday, February 17 at 1:45.

The big school news this weekend was the terrific turnout for our first ever, and now annual, Sweetheart Dance. Thank you to Superintendent Scully for allowing us to hold the dance even though it was a snow day. Once he gave the Dance Moms the go, no weather could keep them away! A huge thank you goes out to Allison Lenihan and Nicole Kardos, who planned and organized this family fun event. They truly had a vision! With the help of many volunteers, including Mandy Bentley, Katie Belfiore, Hillary Oosting, Kim Hurley, and Jody delGaizo they helped shovel and sand the school entryway to make sure our K-2 children and their Sweethearts could attend the dance. The cafeteria was transformed into a beautiful dance hall and the dance floor was hopping with lots of little and bigger dancing feet right until the end! Thank you to Greg Plowman, our super DJ, for great music, beautiful lighting, and the best Train Dance ever...so much fun! Several parents told me that they are not able to help out during the school day, so this was the perfect way to have a special school experience with their child. Thank you to all of the volunteers who donated time, talent, cupcakes, and so much positive energy! Even the cotton candy machine was a hit! You made it happen, and the best part was seeing how happy our kiddos were, all dressed up looking so pretty and handsome and just so excited to share the special night with their special adult....and show off some amazing dance moves!! Stay tuned for photos coming to our Face Book page. Now I can't wait for the grades 3-5 VIP Dance on March 3!

Stay safe, Happy Valentine's Day, and have a wonderful winter break next week ~ looks like plenty of snow fun!

Margaret
