Dear Silver Hill Families,

We had a beautiful day for our x-country meet last week, and all of our athletes did a great job! Silver Hill students Anya Neira and Nathan DiVincentis took first place for the girls and boys races, and all of our runners did their personal best and ran across the finish line with a winning smile! And most of all, it was FUN!

This weekend there are two fun events for Haverhill families. On Saturday, October 15, the Community Walk for Peace will begin at 1:00 in front of Consentino. The walk will end at Tilton Elementary, where there will be several free events including Color Powder, music and refreshments! Events end at 3:30.

On Sunday, October 16, there will be a FREE FARM FUN DAY at Chris's Farm Stand, 436 Salem Street, sponsored by the Bradford Grange...Hay rides, corn maze, pony rides, hay castle, Little's Haunted House, and The Creature Teacher with a hands-on wild animal display!

The October Coffee with the Principal will be held on Wednesday, October 26, to meet with our English Language Learners families and introduce our new ELL teacher, Jillian Herbert. We appreciate that you are a partner with us in helping your child be successful in his/her school programs, and want to know what we can do to make communication between school and home even better! Victoria Torres will be at the meeting to help translate and answer your questions.

Have a great week!

Margaret
