The new Federal ESSA (Every Student Succeeds Act) which replaces the No Child Left Behind mandates that every district have a Social Emotional Learning curriculum. At Silver Hill, we had implemented the Positive Behavior Interventions and Supports (PBIS) curriculum three years ago. Please join us to learn more about our Social Emotional Learning curriculum which is the foundation for your child to learn in a physically and emotionally safe environment.

Come meet members of our PBIS School Team (Positive Behavior Interventions and Supports) SEL School Team for an informational presentation and question and answer time!
