**[haverhillsantaparade.com](http://haverhillsantaparade.com)**

The parade begins as always in **Bradford**, and parade set up continues to take place at both the CD Hunking and Wood Schools, as well as the side streets of Cumberland and Kensington Avenue. The first half of the parade route itself stays the same too. **The exciting change this year is once we cross over the Basiliere Bridge from Route 125 Bradford to Haverhill we will be taking a left turn onto Merrimack Street and a right turn up Emerson Street, and will end the parade in front of the Boys & Girls Club.** The parade will then disband all along Bailey Boulevard in the area of the Haverhill Police Station.

**Sunday, November 18<sup>th</sup>, at 1:00 p.m**

**Adult Volunteers and Donations are still needed!**
