Upcoming Events

Date	Event
March 15-	VIP Dance
March 20-	Half day for Students
March 21-	Literacy Night

Needs

We are looking for donations of tissues, paper towels and Lysol wipes. We appreciate your generosity.

Our Learning

*In reading we will work on retelling a story using the characters, setting and problem. We will also work on predicting while we read.

*In math we will learn how to measure and compare objects. We will also learn how to interpret data on a graph.

Science:

We are learning about how animals care for and protect their young.

Writing

We will complete our review writing at the beginning of the month and then move into writing friendly letters.
