Math

In math we will continue to work on balancing equations, word problems and place value.

As always, we will work on addition and subtraction.

Reading

In reading we will work on strengthening our strategies to support reading comprehension. The children will be using their "tools" to read hard words. Ask your child "what are the tools you use to solve hard words?"

Phonics:

This month our focus will be on vowel teams. We will start with ai/ay and move on to oa.

Social Studies:

In social studies we will learn about the different parts of the map.

Writing

This month we are working on opinion writing. We will write persuasive reviews on movies, books, toys, restaurants, whatever we can think of.
