

August 12, 2017

Dear Silver Hill Staff and Families,

It is with great honor and excitement that I greet you as the new Assistant Principal of Silver Hill Horace Mann Charter School. Your reputation is one of academic excellence and high parent involvement and I am most appreciative to become a member of this community.

I was born and raised in Reading, MA but moved to Haverhill when my husband and I married, 27 years ago. We have three wonderful boys all of whom attended Haverhill Public Schools. I completed my Doctorate of Education two years ago from American International College.

I have had the privilege to have spent 25 years as an educator, working with students from pre-school through grade five. The last five years I was Head Teacher of The Crowell School and Greenleaf Elementary School. Most recently, I have enjoyed a new role as adjunct professor at Lesley University and American International College teaching in the Masters of Education program.

Through a close partnership with staff and parents, I am confident that Silver Hill Horace Mann Charter School will continue to be a school where great things happen. Please feel free to stop in and say hello, I look forward to meeting everyone. I would like to wish you all a fantastic school year. If there is anything I can assist you with, please feel free to let me know.

Respectfully,

Sandy Green
